THE JEFFREY FOUNDATION

The Jeffrey Foundation is a 501 (c) (3) organization, founded in Los Angeles, in 1972 with the mission to educate special needs children and their families. The Jeffrey Foundation's 46-year history of providing supportive services for children with disabilities and their families has made it a key resource in the community. The Foundation has served children living with severe mental and physical disabilities by providing a wide range of innovative educational, recreational and social programs to improve the quality of life for special needs children (from infancy through early adulthood) and for their families.
