TDTD Junior Golf Program

The Tee Divas & Tee Dudes Junior Program is an advocate and resource for African American, Hispanic, and other underrepresented groups to access the personal, educational, and professional rewards and opportunities that are offered to junior competitive golfers.

We offer a comprehensive program to support junior golfers, including referral to golf training activities, public speaking skill development, college prep, and scholarship workshops and seminars. We also work closely with junior golf parents, connecting them to training, equipment, golf opportunities, and other resources for their junior golfer.
